## INDEPENDENT AUDITORS' REPORT

To the Trustees of Athlī Gwaii Legacy Trust

### Opinion

We have audited the accompanying financial statements of Athlī Gwaii Legacy Trust (the "Trust"), which comprise the statement of financial position as at December 31, 2023, and the statements of changes in net assets, revenues and expenses, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion, the Trust's financial statements present fairly, in all material respects, the financial position of the Trust as at December 31, 2023, and of its financial performance and its cash flows for the year then ended. The financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations.

### Basis of Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

### Emphasis of Matter

Without modifying our opinion, we draw attention to Note 2 of the financial statements which describes the intention of the Trustees of the Trust to transfer all of the assets of the Trust to the Gwaii Trust Society (the "Society") and dissolve the Trust. At the date of this report, it is expected that the dissolution of the Trust will occur in the foreseeable future, though an exact date for the dissolution of the Trust and the transfer of assets to the Society is not determinable, as it is dependent on outside parties. These financial statements have been prepared using a liquidation basis of accounting.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends for the Trust to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Trust's financial reporting process.

## Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of the users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Notes to Financial Statements

Year Ended December 31, 2023

---

### 1. Purpose of the Organization:

The Athlii Gwaii Legacy Trust (the "Trust") was settled on March 29, 2007 under the terms of the Deed of Trust. The Trust was established to provide a vehicle for the repatriation of funds contributed under the South Moresby Agreement by the Province of British Columbia and the Government of Canada to Haida Gwaii. The funds endowed by the Federal and Provincial governments are for the purpose of increasing the sustainable forest management on Haida Gwaii and to increase community stability through enhancing the forest related economy of Haida Gwaii.

The Trust is a non-profit organization under the Income Tax Act and accordingly is exempt from income taxes.

### 2. Future Operations and Funding Commitment:

Under the terms of the Deed of Trust referred to in Note 1, the Trust is required to maintain, at a minimum, funds equal to the initial endowment of \$24,000,000 adjusted for inflation annually.

As the market value of the investment portfolio of the Trust of \$60,345,006 at December 31, 2023 has risen above the inflation adjusted endowment value of \$34,519,239, the Trustees of the Trust are able to disburse funds to programs as they see appropriate.

On June 1, 2020, the Trust received correspondence from the Ministry of Forests, Lands, Natural Resource Operations and Rural Development of the Province of British Columbia. The correspondence detailed that the Province of British Columbia agrees with a strategy proposed by the Trust to transfer the net assets of the Trust to the Gwaii Trust Society Fund, a fund managed and owned by the Gwaii Trust Society (the "Society"). The next steps in the process to transfer the net assets and ultimately dissolve the Trust involve confirmation of support of the Federal Ministers of Natural Resources Canada and Environment and Climate Change Canada, followed by amendments to the appropriate legislation in British Columbia.

The above described next steps to be taken to transfer the net assets of the Trust to the Society are expected to occur in the foreseeable future, though the exact dates are indeterminable at the date of these financial statements. It is the intention of the management and Trustees of the Trust to complete the above described transfer as soon as possible and allowed. These financial statements have been prepared under the liquidation basis of presentation, with all of the Trust's material assets and liabilities being presented at their liquidation values as at December 31, 2023.

### 3. Summary of Significant Accounting Policies:

#### Basis of Presentation

These financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

#### Financial Instruments

The Trust recognizes its financial instruments when the Trust becomes party to the contractual provisions of the financial instrument. All financial instruments are initially recorded at their fair value, including financial assets and liabilities originated and issued in a related party transaction with management. Financial assets and liabilities originated and issued in all other related party transactions are initially measured at their carrying or exchange amount in accordance with Section 3840 Related Party Transactions (Note 6).

# ATHLII GWAII LEGACY TRUST

---

## Notes to Financial Statements

Year Ended December 31, 2023

---

### 3. Summary of Significant Accounting Policies (continued):

#### Financial Instruments (continued)

At initial recognition, the Trust may irrevocably elect to subsequently measure any financial instrument at fair value. The Trust has not made such an election during the year. The Trust subsequently measures investments in equity instruments quoted in an active market and all derivative instruments, except those designated in a qualifying hedging relationship or that are linked to, and must be settled by delivery of, unquoted equity instruments of another entity, at fair value. Fair value is determined by published price quotations. Investments in equity instruments not quoted in an active market and derivatives that are linked to, and must be settled by delivery of, unquoted equity instruments of another entity, are subsequently measured at cost less impairment. With the exception of financial liabilities indexed to a measure of the Trust's performance or value of its equity and those instruments designated at fair value, all other financial assets and liabilities are subsequently measured at amortized cost.

Transaction costs and financing fees directly attributable to the origination, acquisition, issuance or assumption of financial instruments subsequently measured at fair value are immediately recognized in the excess of revenues over expenses for the current year. Conversely, transaction costs and financing fees are added to the carrying amount for those financial instruments subsequently measured at cost or amortized cost.

#### Foreign Currency Translation

Accounts in foreign currencies have been translated into Canadian dollars using the temporal method. Under this method, monetary assets and liabilities have been translated at the year end exchange rate. Non-monetary assets have been translated at the rate of exchange prevailing at the date of transaction. Revenues and expenses have been translated at the average rates of exchange during the year.

Foreign exchange gains and losses on monetary assets and liabilities are included in the determination of earnings.

#### Revenue Recognition

The Trust follows the deferral method of accounting for contributions.

Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions are recognized as direct increases in net assets.

Investment income is recognized as revenue as earned by way of dividend or interest or upon the completion of a transaction resulting in a realized gain on the disposition of investments.

#### Measurement Uncertainty

The preparation of financial statements in conformity with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in excess of revenues and expenses in the year in which they become known. Management believes there are no estimates that would have a significant impact on the statements for the year ended December 31, 2023.

### 5. Statement of Investment Policies and Procedures:

The Trust's investment strategies are guided by the Statement of Investment Policies and Procedures (the "SIPP"). The SIPP has been written in order to assist the Trustees in establishing the guidelines for the investment of the assets of the Trust (the "Fund") and in monitoring and evaluating the investment performance achieved by the Trust. A summary of the current investment guidelines contained in the SIPP and the current asset mix at December 31, 2023 is as follows:

	Portfolio Value		% of Portfolio		AGLT Current SIPP %		
	Cost	Market	Cost	Market	Min.	Target	Max.
Canadian Equities	\$ 3,012,223	\$ 3,102,830	5%	5%	-%	5%	10%

Universe Bonds	6,321,579	6,308,608	11%	10%	5%	10%	15%
Commercial Mortgages	3,036,658	3,090,866	5%	5%	-%	5%	10%
Direct Lending	<u>5,600,000</u>	<u>5,600,000</u>	<u>10%</u>	<u>9%</u>	<u>-%</u>	<u>10%</u>	<u>15%</u>
Total Fixed Income	<u>21,708,781</u>	<u>21,819,867</u>	<u>38%</u>	<u>35%</u>	<u>5%</u>	<u>25%</u>	<u>40%</u>
Real Estate	<u>2,129,147</u>	<u>6,055,128</u>	<u>4%</u>	<u>10%</u>	<u>5%</u>	<u>10%</u>	<u>22%</u>
Infrastructure Equity	<u>10,024,801</u>	<u>10,132,328</u>	<u>18%</u>	<u>17%</u>	<u>-%</u>	<u>30%</u>	<u>40%</u>
Private Placement	-	-	-%	-%	-%	-%	10%
Cash	<u>8,364</u>	<u>8,364</u>	<u>-%</u>	<u>-%</u>	<u>-%</u>	<u>-%</u>	<u>10%</u>
Total	<u>\$ 55,315,730</u>	<u>\$ 60,345,006</u>	<u>100%</u>	<u>100%</u>			

Funds that are committed to but not yet invested in illiquid investments such as mortgages, direct lending, real estate, and infrastructure equity are held in a temporary short term bond fund that adheres to the Trust's fossil fuel free investment mandate.

# ATHLII GWAII LEGACY TRUST

## Notes to Financial Statements

Year Ended December 31, 2023

### 6. Related Party Transactions:

During the year, administration fees of \$275,000 were paid to the Society. These fees represent operating costs paid by the Society on behalf of the Trust. The administration costs have been calculated and allocated as follows to represent the actual costs of operating and administering the Trust.

	<u>2023</u>	<u>2022</u>
Advertising and Promotion	\$ 5,000	\$ 5,000
Honoraria	18,000	16,250
Management Salaries	194,000	173,750
Meetings and Conventions	25,000	25,000
Office and Facility Costs	20,000	17,000
Supplies	8,000	5,750
Travel	5,000	5,000
Vehicle	-	2,250
	<u>\$ 275,000</u>	<u>\$ 250,000</u>

Balances outstanding consist of the administration fees or other operating costs paid by the Society on behalf of the Trust.

### 7. Internally Restricted Net Assets:

The Trust's Internally Restricted Net Assets represents the initial endowment of \$24,000,000 received from the Governments of Canada and British Columbia. The amount is adjusted annually by the inflation rate for the year to protect the value of the original grant for future generations. The amount received has been established as a perpetual investment fund and, as such, the original endowment with the accumulated inflation adjustments can never be touched, allocated or expended.

The annual inflation adjustment is based on the Canadian Consumer Price Index (CPI). The change for the year ended December 31, 2023 has been calculated at the CPI of 3.4% (2022 - 6.3%) for the year.

# ATHLII GWAII LEGACY TRUST

## Notes to Financial Statements

Year Ended December 31, 2023

### 8. Investment Income:

	<u>2023</u>	<u>2022</u>
Interest Income	\$ 1,094,905	\$ 556,935
Dividend Income	247,702	698,004
Investment Income	237,899	-
Realized Gain (Loss) on Investments	<u>(158,682)</u>	<u>221,853</u>
	<u>\$ 1,421,824</u>	<u>\$ 1,476,792</u>

### 9. Risk Management:

The Trust is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Trust's risk exposure and concentration as of December 31, 2023.

#### *Market risk*

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency rate risk, interest rate risk and other price risk.

#### *Currency risk*

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Trust enters into transactions to denominated in United States currency for which the related revenues, expenses, accounts receivable and accounts payable balances are subject to exchange rate fluctuations.

During the year, the value of the Canadian dollar appreciated by \$0.0178 against the US dollar. The Trust has significant investments in US dollars. As a result, the change in the exchange rate has increased the Trust's foreign currency risk exposure, resulting in \$49,212 in unrealized foreign exchange losses.

#### *Interest rate risk*

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. Changes in market interest rates may have an effect on the cash flows associated with some financial assets and liabilities, known as cash flow risk, and on the fair value of other financial assets or liabilities, known as price risk. The Trust is exposed to interest rate cash flow risk with respect to its investment portfolio.

#### *Other price risk*

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The Trust is exposed to other price risk through its investment in quoted shares.
